

Become a FSES member!

Finnish Society for Environmental Science was founded in 1987. The main purpose of the society is to promote environmental research and a be link between the members, and spread information about protection of the environment. The society joins together scientists, authorities and decision makers, who are involved in enviromental issues. Anyone interested in environmental sciences can apply for membership of the society.

The main activities of the Society involve:

- 🌿 Finnish Conference of Environmental Sciences (organized every 2nd year)
- 🌿 Seminars and workshops on environmental research
- 🌿 National committee in IGBP (International Geosphere-Biosphere Program) and SCOPE (Scientific Committee on Problems of the Environment)
- 🌿 Yearly newsletter to the members
- 🌿 Column in Ympäristö ja terveys -magazine

Other benefits from membership (2011):

- 🌿 Discount from Ympäristö ja terveys -magazine, 42 EUR (normally 62 EUR), 10 yearly issues <http://www.ymparistojaterveys.fi/>
- 🌿 Discount from Kemia and Uusiouutiset -magazines
Kemia: 59 EUR (normally 79 EUR), 8 yearly issues <http://www.kemia-lehti.fi>
Uusiouutiset: 40 EUR (normally 69 EUR), 8 yearly issues <http://www.uusiouutiset.fi/>
